

## **RFP FY20 – Telehealth Network Service for Maniilaq Health Center**

### **ADDENDUM NUMBER ONE**

This Addendum Number One is issued to answer questions potential bidders had regarding RFP FY20 – Telehealth Network Service for Maniilaq Health Center (RFP). This Addendum is hereby made part of the RFP, and each bidder shall take this Addendum into consideration when preparing and submitting a proposal. It is the sole responsibility of the bidder to be knowledgeable of all addenda related to this procurement.

**Q1:** In the RFP, we do not see internet services called out, can you confirm if internet service is to be included? If so, please clarify expected bandwidth and if there is a preference as to where this internet terminates.

**A1:** Internet is not included in this RFP; this RFP is only for USAC subsidized transport services.

**Q2:** Where is the current hub location in Anchorage for the Kotzebue services?

**A2:** The Anchorage hub is located at the GCI South Anchorage Distribution Center 6831 Arctic Blvd, Anchorage, AK.

**Q3:** Can you please expand on Voice service architecture for Kotzebue and Village sites, IS this a SIP or VoIP connection that resides on the data links?

**A3:** The voice service architecture is VoIP.
